## Community Open House #2 for the Downtown Columbus Streetscape Standards

September 1, 2015

3:00pm – 5:00pm

77 North Front Street, Lower Level Auditorium

### Project Description:

The City of Columbus is currently preparing a comprehensive set of standards and guidelines for downtown streetscapes. A draft of the standards has been prepared and includes the following:

- Goals and objectives
- Recommendations for placement of various streetscape elements
- Material recommendations for standard streetscape elements
- Procedures for deviation from the standards.

Representatives from the Department of Public Service and the Design Consultant Team will be on-hand to describe the recommendations and answer questions in an open house format. **No formal presentation will be given.**

### Questions may be directed to:

NL (Bud) Braughton, P.E., Department of Public Service Project Manager, phone: 645-8241, [NLBraughton@Columbus.gov](mailto:NLBraughton@Columbus.gov)
