The Ohio Latino Affairs Commission is a state government agency with a statutory mandate to advise policy makers and elected officials on issues affecting Hispanic Ohioans, to connect the diverse Latino communities across the state, and to build the capacity of community organizations so they may better serve the fast-growing Latino population of Ohio.

This guide should serve as a resource for community members and leaders to learn and utilize the wide array of ESOL (English for Speakers of Other Languages) available to the Hispanic and Latino community in Central Ohio.
